

April 04, 2005

In Attendance

Michelle Reesh, Corey Quigley, Jake Funk, Audrey Allard, Nick Aldrich, Jill Innes, Sunshine Bobar, Lindsay McDonald, Matt Preston, LT Arnold, Neesah Heart, Fruma Shrensel, Jeff Schneiter, Yelena Goldina, Sandi Hazzard, Eric Blankenship, Rachel Parda, Severine Chardon, Shannon Coughlin

1. Budget Update

After a round of counting pennies, we appear to have only \$1550 in the bank, of which approximately \$1530 has been allocated, leaving us with \$20. There is still \$3000 in foundation money that we have access to. Some of the areas where money has been spent: supplies for graduation and the welcome breakfast (\$400), \$600 for Nurse's Day, \$120 for Brown Bags, \$100 for The Pulse, and \$200 for the Health Week Fair.

2. Quarter Events

Welcome Breakfast (4/06/2005):

According to **Sunshine**, everything is prepared except for the food. Volunteers are needed, please arrive at 06:45 in room 2305; the event starts at 07:15.

KCNA Spring Banquet (4/20/05 17:30): \$25 per student, info at <http://www.kcnurses.org/events.html#3>

Nurse's Day (5/09/05 12:30 - 15:00): Automotive Room. The theme: "Many Roles, One Profession"

Corey needs volunteers to help with setup (11:00), cleanup, publication (advertising, flyers), someone with a Costco card to help pick up food. **Jeff** will get the event published in the "Club Activities and Events Calendar" in the Pub.

Two confirmed speakers, looking for three more who are working in different fields of nursing. One speaker is a travel nurse and will be talking about nursing during times of need, such as her work in Kosovo.

Health Week Fair (5/11/05 09:00- 11:00):

Michelle, **LT**, and **Eric** are working on a project to hand out cancer screening educational flyers. **Nick** will talk to the local chapter of American Cancer Society to look into getting discounted flyers. It only takes one hour to

hand out 200 flyers, so many are needed. If you know someone who knows someone with connection power, please help out in getting the flyers.

VM Nurse's week Symposium (5/12/05 08:00 - 16:00): \$70 per student, includes lunch.

"The Four-Fold of Nursing Leadership: Cultivating Information, Knowledge, Wisdom, and Mystery"

SCCANS has sponsored students in the past and would like to send representation again. If you are interested in attending please contact **Sharon** or **Linda** about sponsorship through the foundation.

3. Updates

EBSCO: **Sharon** is working with library to figure out what changes will be happening to our subscriptions.

The Pulse:

Shannon Coughlin is looking for someone to take over as editor, requires minimal work, will be trained at the fine art of arm twisting and delegating. Deadline for article submissions is around end of may. Would like to add a humor section and needs cartoon submissions and/or a cartoon editor.

Brown Bags:

The first brown bag of the quarter is tentatively scheduled for 4/25/05. Flyers will be up shortly.

Neesah will be taking over from **LT** and would like a small think tank to help come up with ideas for future speakers, and people interested in taking responsibility to get speakers on campus.

Please remind fellow students to not obsess over any extra credit that may or may not be received by attending the brown bags, for that is not the reason SCCANS is organizing these.

Officers:

Jake Funk has become VP

Sandie Hazzard has become co-treasurer

Jeff Schneiter & Sunshine Bobar have become co-Secretaries

Graduation:

Jill is working with **Audrey** and **Linda**. They do not need any volunteers yet, but will know by the end of April what help they will need. They are looking for someone with a connection to a florist.

Uniform Sale: We made \$44. Looking for uniform donations from 6th quarter students for next sale.

4. New Business

There will be a printer in the downstairs computer lab sometime during the Fall quarter, just waiting for the college to fund it and implement the \$.02 / page accounting.

Corey will look into some method of reporting technical problems in the computer lab and making sure those problems get to the correct support people.

We want to make our own small library in the downstairs computer lab, and we need **book donations**.

<jj_814@yahoo.com> can get discounted PDA software for nursing, email her if interested.

5. Next Meeting

The next SCCANS meeting will be held April 18th at 12:30 p.m.
