Josh Epworth	Advisory	6
Holly Robinson		1/10
Traci Tran		1
Sarah Fullum		1

* New this meeting

I. Introduction/Welcome- Cary

- Everyone went around and introduced themselves by names and quarter and program.

II. Officer/ Position Openings- Cary

- "We need fresh blood."
- Positions that are still open:
 - o VP x 2.
 - o Co-treasurer x 1, Derrick: "not a ton to do, mainly work with the yearly budget." Sharon: \$500/year is the budget. A budget request is coming up.
 - o Co-secretary

- Fundraiser x 2: There are people for the Outback fundraiser, and Holiday, but not fundraiser committee. Laurel Coe volunteered for this position.
- Josh: We need someone for scrub sales. Money used for extra needed supplies like gifts for Nurse's day. Need 1 person to coordinate with Sharon. Michelle Treat volunteered for this.
- Correction from last meeting. Laurel Hansen, not Laurel Coe is Co-brown bag coordinator.
- Julianne and Anja will speak with Anna regarding grad committee stuff.
- Teresa volunteered for Holiday and Co-treasurer

III. Pre-req class update- Christina Snyder

- Christina and two other 4th qtr classmates went to Kira Wenstrom's Anatomy and Physiology class. Talk went well, lasting 10-15 min, only a few asked questions. Kira wanted to focus discussion on importance and relevance of A&P to the nsg program and "real world." SCCANS was also briefly explained.
- Cary: Instructors had come saying that students do not seem to understand the necessity of A&P, and this is where it started. This leads to next subject.

IV. Formation of pre-req committee- Cary

- We would like volunteers to do this, so there will be students available when instructors ask for speakers.
- Beneficial to have a list of students. Instructors need to be contacted before start of qtr so that talk will be at start of the qtr. Volunteers would be best from the earlier qtrs because of better perspective of the transfer.
- Sharon: Judy Penn was an instructor who initiated this.
- Anja/Michele: Developmental psych would be another good class to talk with.
- Julianne volunteered to do this. Others interested are to contact her.

V. Volunteers for nursing informational meeting

- Meeting is 12/4 around 13:15
- At least 2 volunteers to go to meeting, and talk/answer questions for about 15min. This is the informational meeting with students who are interested but not in the program.
- Doug and Michelle volunteered for this.

VI. Pulse update-Doug Harper

- No submissions yet. The goal is to get it out at the start of winter qtr before the welcome breakfast.
 - Would like to interview Cary, regarding SCCANS president.
 - Would like a 6th qtr student to interview.
 - Would like a cultural perspective. Need someone who is willing to share.
 - Also will include small article on being in 10 qtr program.
- "Optimistically, it will happen."
- Cary: Will introduce Doug to Allen when nearing time for printing. Contact Cary when close to being finished.

- Sharon: Need to send requests to student government. This is new, Sharon and Anna found out about it about 2 weeks ago.
- Any ideas or suggestions, contact Doug.
- Cary has all the previous Pulse newsletters if they need to be seen.

VII. Brown Bags

- Christina, Cary, and Laurel
- One brown bag has been scheduled. The qtr has been hectic, with a lack of communication to coordinate. Christina and Cary have been working to get this one going.
- Subject is OR nursing, as well as other stuff the speaker has done. Also it will give a male nurse perspective. He would like to show a video, but needs permission from Swedish.
- Rm has been scheduled from 1130-1300, on Dec 2.

VIII. Outback Fundraiser update

- Laurel Coe said she recently contacted Jennifer, has not yet heard back. It still needs to be organized.
- Sharon will contact Lynn Yaz, the administrative assistant of Foundation. She needs to know.

IX. SCCANS website update- Eunice

- It was put on discussion board, but unable to access it. Will send the password.
- Secretary will email all the student emails to Eunice, so she can hook them up.
- Still need to add all the instructors. Sharon will send all their e-mails to Eunice.

X. Holiday Family Fundraiser- Eunice, Christina, Bekah

- We currently have a total around \$180. We may sponsor just one family.
- Suggestions on the family can be given to instructor or turned in with the money.

XI. Contact update

- Cary: "Did I forget to get in contact with anyone that I said I would, I felt like I had a hundred e-mails."
- No one replied. Good.

XII. Graduation Committee- Aron, Kat, Anja

- Dec. 10 in the PUB.
- Sharon: "Fall graduation is always a problem."
- Cary: "For those of you who don't want to stay and help with graduation, you can go." Meeting adjourned, Graduation committee meeting commenced.

XIII. Brief interlude

- Before people left. "Thank you Cary for your hard work as President."
- Julianne: "I'm interested in being a Co-President." Will have "apprenticeship."
