She will also be taking the sign up sheet to the 5th quarter students so they can sign up to volunteer

Students paid 60 cents for each invitation, which includes the SCC website for the campus and directions so guests can find their way to the ceremony. Next quarter the invitations will probably increase to 70 cents each.

3. Fundraising: T-shirts status. How is it looking for the holiday family situation?

The selling of the shirts has raised over \$600.00 The final day to purchase them is Dec. 12th. The left over shirts will be available for sale through SCCANS but the money will not go towards the families. If people do not want to buy a shirt they are still able to donate money to the holiday drive. Dianna will ask Sharon about the gift cards that will go to the families.

Simi Gill is working with a dental hygiene student on the Outback fundraiser. Outback is increasing the ticket price to \$10.00. There was a question about whether or not we would like to increase our price for the tickets. Simi Gill will be talking with Sharon Stewart about this. There is no date set for the fundraiser.
